Forecast for Sunday 09 May 2021

Weather: During the day conditions will gradually brighten up with cloud lifting and becoming more scattered. A few sunny spells are possible but also some showers may develop during the afternoon. Mainly dry with a lot of cloud clearing on Sunday evening with quite warm dry conditions expected.

Chance of cloud free mountain/hill tops above 700m: 60% increasing to 90%, some low cloud will shroud the tops in the morning otherwise tops will mainly be clear.

Visibility: Initially some scattered low cloud will shroud the hills down to 600m however this will become quite isolated. In the afternoon cloud will mainly be well above the tops but patches may fall to 6-700m in any showers that pass. General visibility will be good, perhaps dipping to moderate in any heavier showers.
